BANGLE SIZE GUIDE

To find your perfect size, print this guide at 100% on A4 paper. Use a ruler to measure, or place a standard credit or bank card inside the rectangle below to verify accuracy. If the card fits within the rectangle, the scale is precise and ready for use.

GET THE PERFECT FIT: USING THE KIMAI PAPER SIZE TOOL

1. Carefully cut out the paper sizer.
2. Wrap the paper sizer around your wrist, ensuring you measure the widest part, typically the wrist joint, for a comfortable fit.
3. The number indicated by the arrows is your wrist size.
4. We recommend adding one centimeter for a looser fit.
5. Visit our website and follow the instructions, as sizes may vary slightly between different Kimai bracelets and designs.
